## संदेश

मैं डॉ. श्वेता भट्ट, असिस्टेंट प्रोफ़ेसर, वाणिज्य विभाग, बुद्ध स्नातकोत्तर महाविद्यालय, कुशीनगर, उत्तर प्रदेश को उनके द्वारा लिखी पुस्तक "आत्मनिर्भर भारत@विकसित भारत" के प्रकाशन के लिए हार्दिक बधाई देता हूँ।

आत्मनिर्भर भारत और विकसित भारत का सपना हमारे देश के भविष्य का प्रतिबिंब है। यह एक ऐसा लक्ष्य है जिसे हम सभी को मिलकर हासिल करना है। आत्मनिर्भर भारत का अर्थ है एक ऐसा देश जो अपनी आवश्यकताओं के लिए दूसरों पर निर्भर नहीं हो, बल्कि खुद के संसाधनों और क्षमताओं से अपनी आवश्यकताओं को पूरा करे।

आत्मनिर्भर भारत का निर्माण और विकसित भारत का सपना तभी साकार हो सकता है जब हम सभी मिलकर अपने कर्तव्यों का निर्वाह करेंगे और एकजुट होकर देश की प्रगति में अपना योगदान देंगे। यही समय है जब हमें अपने लक्ष्यों को निर्धारित कर, समर्पण और कठिन परिश्रम से उन्हें हासिल करना है। इसलिए, हम सभी को मिलकर आत्मनिर्भर और विकसित भारत के इस सपने को साकार करने के लिए राष्ट्रीयता की भावना के साथ समर्पण, निष्ठा और ईमानदारी से कार्य करना चाहिए।

मैं लेखिका को इस महत्वपूर्ण विषय पर समाज को जागरूक करने और चिंतन का अवसर प्रदान करने पर बधाई देता हूँ और आशा करता हूँ कि उनका यह प्रयास निश्चित तौर समाज को दिशा देने में मार्गदर्शक सिद्ध होगा।

## PREFACE

Greetings to all readers, It is a matter of immense pleasure to introduce this edited book before all of you. This book is an assimilation of contents from various backgrounds showing their contribution towards economic development & achieving the goal of Viksit Bharat.

All chapters revolve around “Atmanirbhar Bharat” (Self-Reliant India) initiative which represents a transformative vision for India’s economic and technological future. Launched to enhance self-sufficiency and stimulate sustainable growth, this policy aims to reduce dependence on foreign imports, bolster domestic industries, and foster innovation. Also, major contents have kept focus on “Viksit Bharat” (Developed India) as the long-term goal, focusing on leveraging local resources and capabilities to create a robust and resilient economy. By investing in infrastructure, promoting small and medium enterprises, and encouraging research and development, the initiative seeks to drive inclusive development, create job opportunities, and position India as a global economic leader.

This edited book captures the essence of Atmanirbhar Bharat as a pivotal step toward achieving Viksit Bharat, illustrating a commitment to national progress through self-reliance and sustainable development. We firmly believe that readers of this book will get an insight on the areas of Atmanirbhar Bharat @ Viksit Bharat and will surely be benefited for applying such research results in their area of expertise.

## **Editorial Desk...!**

In an era where nations are increasingly defined by their capacity for self-reliance and sustainable development, the vision of “Atma Nirbhar Bharat” — a self-reliant India — has emerged as a cornerstone of our national policy and aspirations. This vision is not merely an economic or political directive but a profound call to harness our collective resources, ingenuity, and resilience to transform India into a vibrant, self-sustaining economy.

“Atma Nirbhar Bharat @ Viksit Bharat” is a comprehensive exploration of this pivotal journey. It aims to elucidate the core principles of self-reliance, map the pathways to achieving a developed India, and highlight the transformative strategies needed to bridge the gap between aspiration and realization. By delving into the various facets of India’s growth, from industrial advancements to socio-economic reforms, this book provides a roadmap for navigating the complex landscape of national development.

The narratives within are designed to inspire policymakers, entrepreneurs, scholars, and citizens alike. They reflect not only the challenges we face but also the boundless opportunities that lie ahead. As India strides towards its goal of becoming a developed nation, this book serves as both a guide and a testament to the resilience and innovation that define our collective journey.

In an age where the interplay of global and local forces shapes our destiny, “Atma Nirbhar Bharat @ Viksit Bharat” stands as a beacon for a future where India not only dreams big but also acts decisively to turn those dreams into reality. As we embark on this transformative journey, let us draw strength from our shared vision and commitment to building a prosperous, self-reliant India.

Welcome to a detailed exploration of the path to India’s future, where every step taken in pursuit of self-reliance paves the way for a developed and thriving nation.

Best Wishes to Reader’s

**Editorial Team**

## Abstract

The Skill India program was initiated by Prime Minister Narendra Damodardas Modi on July 15, 2015. By 2022, the campaign hopes to provide 400 million (40 crore) Indians with various skill sets so they can find work. As part of this campaignThe government has implemented a number of initiatives, including the National Skill Development Mission, the Pradhan Mantri Kaushal Visayas Yojna (PMKVY), the National Policy for Skill Development and Entrepreneurship, 2015, and the Skill Loan Scheme. The program's objective is to equip young people with skills that will help them find work and develop their entrepreneurial abilities. For all traditional occupations, such as carpenters, cobblers, welders, blacksmiths, masons, nurses, tailors, and weavers, among others, it included training, support, and mentoring. The paper is an attempt to find out the effectiveness of Skill India mission and how employability rate has changed in the several years. It lays emphasis especially on various changes that has taken place in India as of 2024 year.
