About the Editors

Mahesh R. Ghule, PhD

Head of Research and Development, Netsurf Biotech Pvt. Ltd.;
Proprietor of Green Cultivate Agro Farm, Pune, India

Mahesh R. Ghule, PhD (Microbiology), is the Head of Research and Development at Netsurf Biotech Pvt. Ltd., where he is actively involved in research, and is also Proprietor of Green Cultivate Agro Farm in Pune, India. He qualified the National Eligibility Test (NET) under the Life Sciences subject and the Graduate Aptitude Test in Engineering (GATE) under the Biological Sciences subject. He has more than 13 years of experience and is currently working on organic farming and the integration of artificial intelligence in the development of sustainable farming for different crops in India. Dr. Ghule is a recipient of many awards and has participated in several national and international conferences organized by reputed scientific bodies in India. He has several scientific publications to his credit, published in highly reputed and impacted journals, such as articles in plant pathology journals such as the *Journal of Plant Disease*, *Archive of Plant Pathology and Plant Protection*, *Australian Plant Pathology*, and *The Plant Pathology Journal*, which attest to his scientific insight, fine experimental skills, and outstanding writing skills. Dr. Ghule has written many book chapters, including *Soil Chemical Pollution and Remediation*, *Remediation of Agrochemicals in Soil and Environment*, and *Various Diseases Incidence on Fenugreek Crops and Their Management*, for some of the world's leading scholarly publishing houses, such as Springer Nature, Elsevier, and Taylor & Francis Group.

M. Naeem, PhD

Assistant Professor, Department of Botany, Aligarh Muslim University,
India

M. Naeem, PhD, is an Assistant Professor in the Department of Botany at Aligarh Muslim University, India. His research focuses on enhancing the production of medicinal plants and their active principles by applying

nanoparticles, potent plant growth regulators (PGRs), and depolymerized polysaccharides under abiotic stress conditions. Dr. Naeem has published over 100 research papers in reputable national and international journals. He is also the author of fifteen books published by international publishers. He has received several awards from prestigious scientific societies for his research contributions. He was featured in the “World Ranking of Top 2% Scientists” prepared by Stanford University, USA, and Elsevier in 2024.

Iffat Zareen Ahmad, PhD

Professor, Department of Bioengineering, Integral University, Lucknow, India

Iffat Zareen Ahmad, PhD, is working as a Professor in the Department of Bioengineering, Integral University, Lucknow, India. Her area of expertise involves plant and algal biotechnology, natural products, stress biology, nanoformulations, and pharmacology. She has around 85 publications to her credit with publishers of international repute and high impact factors. To date, 16 students have been awarded their doctoral degrees under her supervision. Her work has been recognized globally, and she has received many awards and recognitions from national and international agencies. She has been awarded prestigious research projects from the Ministry of AYUSH, Government of India and Life Sciences Research Board, and the Defense Research and Development Organization (India). She is on the panel of examiners for many national and international educational organizations. She is the Chairperson of the Internal Complaints Committee of Integral University and plays an instrumental role in organizing several programs under the aegis of the Mission Shakti initiative by the government of U.P. She earned her BSc and MSc degrees as well as her PhD in Biotechnology from the University of Allahabad, India.

Contents

<i>Contributors</i>	<i>ix</i>
<i>Preface</i>	<i>xiii</i>
1. Potential of Botanical Extracts and Their Phytochemicals in Sustainable Agriculture: An Overview	1
Mahesh R. Ghule, Rohini R. Shivsharan, Kirti Kamthe, and Prasad Kodre	
2. Unlocking the Power of Botanical Phytochemicals in Disease Control....	9
Khushi Chavan, Mahesh R. Ghule, Manisha Shinde, and Kirti Kamthe	
3. Beneficial Health Aspects of Amyrin Triterpene: A Review.....	43
Debadrita Mandal, Puja Karmakar, Shuli Barik, Monoj Patra, Sanjib Gorain, Madhumita Mahato, Urmi Mustafi Moon, Anup Kumar Rajwar, and Surjyo Jyoti Biswas	
4. Nanoencapsulation Methods of Bioactive Compounds: Medicinal and Agricultural Significance	63
Elhan Khan and Iffat Zareen Ahmad	
5. Biological Activities of Essential Oil-Yielding Plants and Their Role in Traditional Healing Systems.....	93
Saroj Kumari, Akhatar Khan, and Aparna Pareek	
6. Moringa Leaf Extract in Crop Improvement: Current Status and Future Prospects	113
Navneet Kaur, Krishan Kant, Shalu Gupta, Parnika Jindal, Akbar Ali, and M. Naem	
7. Extraction, Characterization, and Biological Studies of Phytochemicals from <i>Peganum harmala</i>: An Endangered Plant of Rajasthan, India	145
Saloni Soni and Aparna Pareek	
8. Marine Botanical Extracts in the Development of Sustainable Agriculture	165
Ayah Rebli Hilles, Syed Mahmood, Mostafa Waly, and Mohit Kumar	

9. β-Caryophyllene: A Sesquiterpene with Multifaceted Pharmacological Potential and Mechanism of Action.....	185
Samrat Daripa, Kazi Nurul Hasan, Monoj Patra, Shuli Barik, Sanjib Gorain, Anup Kumar Rajwar, Parimal Pramanik, Madhumita Mahato, Urmi Mustafi Moon, Jayeeta Pal, and Surjyo Jyoti Biswas	
10. Intelligent Approaches for Smart Organic Plant and Animal Farming.....	213
Hanem F. Khater, Shaimaa H. Mohammed, Fatma I. Abdallah, Gamila Sh. Selem, Mohammed G. Mahmoud, Ahmed A. Gh. Farag, Ali H. El-Far, Hanan A. A. Taie, Randa I. Eltaly, Gamila A. M. Kotb, Nazeer Ahmed, Zahid M. Sarwar, Rafi Ullah, Amara A. Khater, Nelissa Pacheco Vaz, Rao Zahid Abbas, Bahaa S. Rabi, and Salwa M. Abdallah	
11. Importance of Natural Products in Sustainable Agriculture.....	287
Desam Nagarjuna Reddy	
12. Role of Botanical Extracts and Their Phytochemicals in Bioremediation of Pesticides, Herbicides, Insecticides, and Other Toxic Chemicals.....	313
Rohini R. Shivsharan, Mahesh R. Ghule, Vikas B. Patil, and Mahallapa N. Jagtap	
13. Implications of Novel Strategies of Formulations for Improvement of Bioactivity of Extracts and Phytochemicals for Sustainable Agriculture and Future Prospects.....	339
Mahesh R. Ghule, Rohini R. Shivsharan, and Vikas B. Patil	
<i>Index</i>.....	363
