Editorial

Millions of thanks to Allah, the Almighty and His benign grace, as also to the panoptic vision of our hon'ble Chancellor, and the futuristic vision and meticulous planning and research of Dr. Syed Nadeem Akhtar, Director, Planning and Research, Integral University goes international with the advent of near about one hundred and ten Nigerian students on the campus, having sought admission to various prestigious courses here. No other Indian University can, to the best of my knowledge and memory, boast of having 110 foreign students at one go. This is a matter of mighty celebration coinciding with the new academic session 2018-19. We always have hopes and aspirations for academic excellence and innovations, which is the signature tune of Integral University. Our campus is already agog with academic and extracurricular activities, making the campus an academically sound happening place.

It was Michel Foucault, the French thinker, who influenced the critical thinking and the history of ideas of the postmodern period by talking of power-knowledge dynamics. That is why they say: Knowledge is power, and it is this power with which our University empowers rural, urban, suburban and Mofussil students who are finely moulded in the roaring smithy of Integral University and its talented faculty with the Midas touch, fulfilling the long-cherished motto of 'Inspiring Excellence'. There is no exaggeration then that its alumni are globally placed in all walks of life. Day in and day out our teachers through a number of novel and innovative techniques of academic leadership are busy with nurturing and honing those who come under the all-encompassing canopy of the University. The present issue of the Integral University Newsletter has mapped out all such activities of the last six months which per se showcase the multifaceted core of the pert otherness and distinction which is the hallmark of Integral University.

INTEGRAL UNIVERSITY

OBSERVED INTERNATIONAL WOMEN'S DAY ON 8th MARCH 2018 ON THE THEME "TIME IS NOW"

"International Women's Day-2018" was organised by Women's Study Center and Women's Grievance Cell on 8th March 2018. Mrs. Azra Wasim, Director, Techno Academy was the Chief Guest on the occasion. Prof. M.K.J. Siddiqui, Hon'ble Vice Chancellor (Acting), Integral University, Prof. Roop Rekha Verma, Ex-Vice Chancellor, University of Lucknow, Dr. Saroj Srivastava, leading Gynecologist were the Guests of Honour, and Dr. Jabeen Fatima, an eminent English Scholar, was the invited speaker. Mr. Syed Wasim Ahmad, OSD to the Chancellor was also present on the dais. The Directors, Deans, HoDs, faculty members and students of Integral University attended the programme with much enthusiasm.

The programme started with the floral welcome of guests followed by the welcome address of Prof. Iffat Zareen Ahmed, Chairperson, Women's Grievance Cell, Integral University. Mrs. Azra Wasim, chief guest, inspired the audience with her motivational and poetic address. Dr. Jabeen Fatima spoke about diversified issues of women followed by the other dignitaries.

The programme concluded with the distribution of mementoes to the guests by Prof. M. K. J. Siddiqui who wished all the women participants success and advised them to seize the opportunities that come their way.

FIESTA 2018

Hon'ble Chancellor, Prof. S.W. Akhtar, hon'ble Deputy Chief Minister of UP, Dr. Dinesh Sharma and Mr. Pravir Kumar (IAS), Chairman, Board of Revenue, Govt. of Uttar Pradesh, giving a flying start to FIESTA 2018

The dynamic presence of the hon'ble Deputy Chief Minister of UP, Mr. Dinesh Sharma, the Chief Guest, Mr. Pravir Kumar (IAS), Chairman, Board of Revenue, Govt. of Uttar Pradesh, Dean, Students' Welfare, Prof. M.A. Khalid and our Hon'ble Chancellor, Prof. S.W. Akhtar, gave a flying start to the event with a pool of students present at Integral lawns.

The first day began with the dignitaries addressing the students and sharing their experiences, making way to an evening electrified by the student Rock band performances and later a completely mesmerizing night by the renowned Shayars at the All-India Mushaira conducted at the Integral lawns.

The All India Mushaira was an evening to remember as the couplets "sher" written by the poets touched the hearts and delighted the audience. Some very aesthetic lines said by the esteemed poet, Munnawar Rana, was "Jisne Yaseen Ko Saaye Se Alag Rakha Hai/ Noor Ko Usne Andhere Se laga Rakha Hai". Janaab Manzar Bhopali elevated the poetic ambience when he marked the relevance of a girl child by stating, "Betiyo ke bhi liye haath uthaao Manzar, sirf Allah se bete nahi maanga karte." Other poets like Dr. Mahtab Alam and Dr. Nirmal Darshan were also present.

The most awaited of all the events was Andaz-e-Awadh. In this event of style and grace, students walked on the ramp and presented their modeling skills. This year's theme was Bride And Groom. Along with this, there were events in which the students were tested on their creative talents, intellectual skills and general knowledge questions. The events were Treasure hunt, Baitbaazi, Solo singing, Debate Competition, Floor art, Kite designing, Naked Face, JAM and Wordsworth.

HRDC, INTEGRAL UNIVERSITY ORGANIZED A FIVE-DAY STC ON “FDP AND MANAGEMENT THROUGH ICT” FROM 12 TO 16 MARCH 2018

Human Resource Development Centre (HRDC), Integral University, Lucknow is one of the Remote Centres of National Institute of Technical Teachers Training & Research (NITTTR), Chandigarh, Ministry of Human Resource Development, Government of India. HRDC, successfully organized a five-day Short-term Course (STC) through Information and Communication Technology (ICT) on “Faculty Development Planning and Management” in association with National Institute of Technical Teachers Training & Research (NITTTR), Chandigarh from 12th March to 16th March 2018. This program was unique as Integral University, as a remote centre, was highly appreciated for active participation and interaction by National Institute of Technical Teachers Training & Research (NITTTR), Chandigarh.

ONE-DAY 'TRAINING PROGRAMME ON OPERATIONALIZATION OF KV PORTAL' ON 17th MARCH 2018

IIT Bombay in association with HRDC (Remote center of IIT Bombay) and Directorate of Admissions, Integral University Lucknow conducted a one-day training workshop for principals and admission coordinators of Kendriya Vidyalayas on the topic 'Training programme on Operationalization of KV Portal' on 17th March 2018. The programme was attended by principals and admission coordinators of 30 Kendriya Vidyalaya Schools of Uttar Pradesh.

The occasion was graced by the presence of Dr. Anurag Yadav, Assistant Commissioner Regional Office (ACRO), Kendriya Vidyalaya Sangathan, Lucknow. The programme started with a welcome speech by Prof. Syed Aqeel Ahmad, Director (HRDC), followed by an online training via live streaming from IIT Bombay, conducted simultaneously throughout India at various remote centers by experts from IIT Bombay. It ended with the presentation of mementoes to the esteemed guests and a vote of thanks by Dr. Satya Prakash Singh (RC Coordinator).

WORLD WATER DAY OBSERVED BY THE DEPARTMENT OF CIVIL ENGINEERING ON MARCH 22, 2018

Prof. S. W. Akhtar welcomes Mr. G Pattanaik (IAS), Chairman, U.P. Jal Nigam

A student welcomes Prof. Jamal Nusrat, Water and Land Management Institute

Prof. S. W. Akhtar presenting a memento to Sri G Pattanaik, I.A.S, chief guest of the event

The Department of Civil Engineering, Integral University, Lucknow commemorated “World Water Day 2018” to raise awareness among the masses about water conservation and management. The theme for the year 2018 was “Nature for water” i.e. exploring nature-based solutions to the water challenges faced in the 21st century.

Initiating the programme, Ms. Neha Mumtaz, Assistant Professor, Integral University welcomed the dignitaries that included the Hon'ble Chancellor, Integral University; Chief Guest Mr. G. Pattanaik (IAS), Chairman, U.P. Jal Nigam; Professor Jamal Nusrat, Water and Land Management Institute; Prof. M.K.J. Siddiqui, Vice Chancellor (acting), Integral University and the programme convener, Prof. Syed Aqeel Ahmad, Head, Department of Civil Engineering, Integral University, Lucknow. Prof. Syed Aqeel Ahmad, in his welcome address, briefed the audience about the reasons for observing the World Water Day.

Distinguished Guest, Prof. Jamal Nusrat, stressed on the decreasing ratio of water availability and water demand. He focused on the help that nature has been offering to humans from many centuries. He correlated the word BHAGWAN with the five elements of nature i.e. BH as bhoomi, G as gagan, W as vayu, A as Agni and N as neer. Chief Guest, Shri G. Pattanaik (IAS), Chairman, U.P Jal Nigam gravely stated in this matter by saying that we, as humans, don't understand that water is our asset. He further elaborated that 96.26% of volume of water on the Earth is not available for human consumption, and talked about Noida city as an example of decreasing water levels.

Prof. S.W. Akhtar, Hon'ble Chancellor, Integral University, Lucknow and President of the function, emphasized on the growing need of doing something concrete to save future generations from water crisis. He suggested various means of water conservation and management such as interlinking of rivers and groundwater recharge.

“SAKSHAM” ORGANIZED BY MICROSOFT INDIA IN COLLABORATION WITH DEPT. OF ECE ON 22nd& 23rd MARCH 2018

The Faculty Empowerment Programme-SAKSHAM was organized by Microsoft India in collaboration with Department of Electronics & Communication Engineering & Robotics society, under the aegis of HRDC, Integral University, Lucknow on 22 & 23 March 2018. Mr. Kaushik Biswas, trainer from Microsoft, updated the faculties with latest technologies including Cloud Computing, Introduction to Web Applications, Skype for Business, Advance Technical Documentation and Advanced Presentation Techniques.

Apart from faculties from Integral University, faculties from Azad Institute of Engineering, Lucknow also participated in the faculty empowerment programme. In the valedictory session, Microsoft agreed to provide training to 5-6 students of Integral University every year at their office.

Prof. M. A. Khalid, Dean, Students' Welfare, Integral University, welcoming the guests

INTERNATIONAL CONFERENCES ON “ADVANCEMENT IN COMPUTER ENGINEERING & IT (ACEIT-18) AND CONTEMPORARY RESEARCH IN MECHANICAL ENGINEERING” HELD ON 6TH AND 7TH APRIL 2018

Integral University conceptualized and organized two conferences in an attempt to bring both the Engineering streams together on the same platform and divulge the best contemporary research work done in the two distinct, yet co-existing fields. Welcome address was given by Dr. Syed Nadeem Akhtar, Dean Engineering, Integral University. Prof. Raj Kamal, IIT Delhi mentioned that the biggest truth of education is that there are no short cuts to it.

Prof. Nalinaksh S. Vyas, IIT Kanpur, who has contributed in design and development of India's first nanosatellite, JUGNU, was also present in the conference. He shared his experiences with students and emphasized the need of merging various departments to promote comprehensive learning, which had made JUGNU successful.

In the Presidential address, Hon'ble Chancellor, Prof. S.W. Akhtar, stressed the importance of continuous learning. He talked about the University's policy of cutting down the outdated content and incorporating recent topics in syllabi to provide research and growth.

Dr. Haroon welcomes Prof. S.W. Akhtar, Chancellor of Integral University

CNC MACHINE LAB WAS INAUGURATED BY HON'BLE CHANCELLOR, PROF. SYED WASEEM AKHTAR ON 14 MAY 2018

The prestigious CNC machine lab was inaugurated by hon'ble Chancellor, Prof. Syed Waseem Akhtar on 14 May 2018. The CNC machine will help our students in designing parts of a machine part and will enable them to learn about the batch and the mass production of this new technological era. In modern CNC systems, an end-to-end component design is highly automated using computer-aided design (CAD) and computer-aided manufacturing (CAM) programmes. The programmes produce a computer file that is interpreted to extract the commands needed to operate a particular machine via a postprocessor and then loaded into the CNC machines for production. Different jobs are accomplished with the help of Boxford CAD CAM Design Tools Software, CNC Mill & CNC Lathe Software. This software is very useful for an engineering students as they are required to design and manufacture different types of objects.

Prof. S.W. Akhtar, Chancellor of Integral University & Dr. Syed Nadeem Akhtar inspecting CNC Machine Lab, Integral University

HRDC, IU ORGANIZED SPECIAL SESSION ON "HEALTH ISSUES IN RAMZAN AND ITS MANAGEMENT" ON MAY 19, 2018

The Human Resource Development Centre (HRDC), Integral University organized a special session on health issues during Ramzan. Prof. Kauser Usman, Department of Medicine, KGMU, Lucknow and Dr. Khwaja Tariq Hasan, Naturopathy Expert, talked about the Health Issues in Ramzan. Prof. Syed Aqeel Ahmad, Director, HRDC and Dr. Nitin Ranjan Gupta, IIMS&R coordinated the event successfully. Fasting, said the experts, was a physical and spiritual experience that requires a great deal of preparation.

Prof. Kauser Usman explained the correct way of fasting by saying that fasts can improve a person's health, but if the correct diet is not followed, it can possibly worsen it. The deciding factor is not the fast itself but, rather, what is consumed in the non-fasting hours. The diet should be simple and not differ much from one's normal everyday diet. It should contain foods from all the major food groups. He advised the diabetic patients not to fast if his/her sugar level is 300+ mg/dl as it can increase the possibility of cardiac diseases. He also drew attention towards the fact that the holy Qur'an exempts the sick from fasting. If such people fast, they harm their bodies. Prof. Usman said that the best solution to insulin problems is exercise. Dr. Khwaja Tariq Hasan, Naturopathy Expert, while talking in detail about precautions to be taken during fasts, said that in general, the diet must be balanced and there should not be overeating at the time of the breaking of the fast. Discussing naturopathy, he talked about mental, physical and spiritual fitness, and explained Asana, Pranayama and Meditation. He also emphasized on cleanliness, exercise, diet and 3R (Rest, Relaxation and Recreation). He said that body, mind and soul are Yog.

Dr. Khwaja Hasan, Naturopathy Expert and Prof. Kauser Usman, Dept. of medicine, KGMU, Lucknow talking about Health Issues in Ramzaan at Integral University

Glimpses of the events organised by HRDC, Integral University

ONE-WEEK FDP ON "XCEL IN EXCEL" ORGANIZED BY THE DEPARTMENT OF CSE

The Department of CSE organized a one-week FDP on "Xcel in Excel" from 22 May 2018 to 28 May 2018. The programme was useful for all those who wanted to explore the strengths of MS-Excel. The participants gained in-depth knowledge of various excel options and add-ins which could be used to ease their office work and help in maintaining data in a form which could be directly used for analysis. Mr. Arif, faculty in the department of Computer Science Engineering, delivered the lectures. A special lecture was delivered by Dr. Syed Nadeem Akhtar, Director, Planning and Research on "Pivot Table".

4th INTERNATIONAL DAY OF YOGA CELEBRATED AT INTEGRAL UNIVERSITY ON 21st JUNE 2018

The 4th International Day of Yoga was observed in the University on 21st June 2018. The faculty, staff and students of the University enthusiastically participated in making this program of the Government of India a great success. The event coordinated by Integral Sports Academy, started at 6:30 in the morning with the pledge for International Day of Yoga administered by Prof. Monowar Alam Khalid, Dean, Students' Welfare, to all the participants. The Yoga exercises were conducted by Dr. Zafar, Director, Integral Sports Academy, starting with the warm-up exercises like Calana Kriyas/Loosening practices in which neck rotation, bending, stretching, shoulder movement, trunk movement and knee movements were performed as Suksma Vyayams. It was followed by the yoga asanas like Mayurasana, Surya namaskar, Vajrasana, Padmasana and Kapalbhathi.

PADDLERS GIVE THEIR BEST AT THE INTEGRAL UNIVERSITY 1ST U.P STATE RANKING TABLE TENNIS TOURNAMENT

Prof. S.W. Akhtar, Chancellor of Integral University, welcoming Shri Alok Sinha, IAS, Additional Chief Secretary, Govt. of U.P. at State Ranking Table Tennis Tournament, Integral University

The Battle of pace and concentration concluded with immense praise and adulation for all the participants at the Integral University 1st U.P. State Ranking Tennis Tournament on Sunday, 1st July 2018. The Final matches were a treat to watch where Abhinav Belwal won a golden Double, finishing top in both Men's and Youth boys categories. Akash Tyagi bagged the Junior Boys title, whereas Sarth Mishra excelled in sub junior category. Radhapriya Goel claimed the women's Single's crown, whereas Manan Miglani and Anika Gupta finished runners-up in the cadet boys and girls sections respectively.

Despite losing the first two games, Sarth staged a remarkable comeback to beat his city mate Akhat Tyagi 5-11, 2-11, 11-7, 11-9, 11-8 in the sub Junior boys final. Top seed Aranis Bana beat Manan Miglani 11-8, 11-8, 11-4 in the cadet boys Final.

Third seed Radhapriya defeated top seed Suhana Narginari of Moradabad 11-4, 8-11, 11-6, 15-13 in the women's singles final.

RESULTS

Men's : Abhinav Belwal (Gzb) bt Hardik Paliwal (Agr) 11-9, 10-12, 11-9, 11-2

Women's : Radhapriya Goel (Gzb) bt Suhana Narginari (mbd) 11-4, 8-11, 11-6, 15-13

Youth Boys : Abhinav Belwal (Gzb) bt Divyansh Srivastava (lko) 11-9, 14-12, 11-6

Youth Girl's : Suhana Narginari bt Kavya Gupta 9-11, 11-6, 11-7, 11-4

Junior Boys : Akshat Tyagi (gzd) bt Vibhor Garg (Gzb) 10-12, 11-5, 11-9, 11-3

Junior Girls : Suhana Narginari bt Ambika Gupta 11-8, 11-9, 10-12, 11-5

Sub Junior Boys : Sarth Mishra (Gzb) bt Akshat Tyagi (Gzb) 5-11, 2-11, 11-7, 11-9, 11-8

Sub Junior Girls : Ambika Gupta Beat Hirdyanshi Jhan 11-9, 11-3, 6-11, 11-7

Cadet Boys : Aranis Bana (Gzb) bt Manan Miglani (Gzb) 11-8, 11-8, 11-4

Cadet Girls : Tejasi Gupta bt Anika Gupta 11-9, 11-8, 11-8

Integral University was the host to the event wherein more than 500 players and their parents, coaches and other staff members were made comfortable in the University guest houses. Dr. Syed Nadeem Akhtar, Director, Planning and Research, and the President of Lucknow Distt. T.T. Association ensured the smooth flow of the events. The University sponsored the lodging and food for all the guests attending the tournament pleased them with its hospitality.

The Championship was inaugurated on 29th June 2018 by Shri Alok Sinha, IAS, Additional Chief Secretary, Govt. of UP who believed that the young players of the tournament were the real chief guest and extended his wishes to their glorious career. Prof. Syed Waseem Akhtar, Chancellor, Integral University, addressing the guests who had gathered in the Integral campus from all across India, extended his whole-hearted support to the young players and their families and talked of glorifying the need to concentrate on togetherness, positive energy and the zeal to perform.

Shri Arun Kumar Banerjee, Hony. Secretary UPTTA and Treasurer, TTFI was also present during the event, expressing his delight to be among teenagers and youth with so much talent and willingness to succeed and wishing the participants and Tournament a roaring success.

The Players' Felicitation event was extravagantly conducted at the Integral Auditorium on 30th June 2018. Integral University and UPTTA honored the players who brought laurels to UPTTA and won Medals during the National Championships 2017-18. Prabhat C. Chaturvedi, President, UPTTA honored the players amidst a packed auditorium with loud cheers for the winners. Uttar Pradesh paddlers were the star of the evening receiving their awards for winning 2 Bronze medals at the 79 Cadet & Sub-Junior National Table Tennis Championships held at Goa from 14th – 19th December 2017. Integral University congratulated and wished a great run ahead to all the players of this fast, high-tech sport of Table Tennis.

Glimpses of 1st U.P State Ranking Table Tennis Tournament

IU RECEIVES NATIONAL EDUCATION AWARDS FOR “OUTSTANDING CONTRIBUTION TO EDUCATION” AND “QUALITY IN EDUCATION”

On 5th July 2018, in a glittering and cultivated ceremony in Mumbai, Dr. Syed Nadeem Akhtar, Director, Planning and Research, Integral University, received the awards on behalf of the University for “Outstanding Contribution to Education” and “Quality in Education” amidst a big round of applause for the growth and leadership of this glorious University.

ABP News conceptualized and hosted the National Education Awards to recognize the foremost Education institutes that are contributing extraordinary to this sector in different terms towards strengthening the nation's Educational Infrastructure. It was an evening to celebrate the success and magnificance of Education by acknowledging India's Top Universities, Colleges, Institutes, Schools, and Education Professionals who have made a difference in the Education sector.

The University secured two of the most prestigious awards at this event. National Education Awards appreciated Excellence, Reputation and Exemplary work of Integral University in the Education Sector and awarded it with “Outstanding Contribution to Education” and “Quality in Education” accreditations.

The Education Excellence Awards showcased Integral's high academic goals and outstanding achievements through innovation, leadership, dedication and commitment towards learning. The present day esteemed University which started with a modest school in a thatched hut on November 3, 1993 was transformed into an AICTE approved technical higher education institution named as “Institute of Integral Technology” in the year 1998. The farsightedness and well administered leadership elevated Integral to a full-fledged University within a period of 6 years through a State Legislative Act in the year 2004. Integral University is now the top-ranked University of the State and one of the fastest growing accomplished centers of education in India. “Education has emerged as one of the most important elements of life. Hence, it becomes an utmost responsibility of an institute to be true to lending knowledge in the best interest of students. Integral University receiving the ABP National Education Award for an Outstanding Contribution in Education and Quality of Education is yet another proof of our credibility”, said Dr. Syed Nadeem Akhtar, Director, Planning and Research, Integral University, Lucknow.

“The unwavering and continuous determination of our Faculties and administration to promote the concepts of quality education through highest standards of training is the key for excellence”, said Prof. Abdul Rahman Khan, Dean, Faculty of Science, Integral University, who was also present at Taj Lands End, Mumbai to receive the National Education Award for Integral University in “Quality in Education”.

The National Education Awards are designed to keep a check on the quality and to identify the most reliable and qualitative education. Winning such an award is a great achievement for the University. These awards would certainly inspire the University towards bigger and better achievements. Nurturing young minds with better education is a constant goal of Integral University.

ORIENTATION EXUBERANCE AT INTEGRAL UNIVERSITY ON 17th JULY 2018

Integral University cordially welcomed its new scholars by organizing a successful orientation program. The 3-day event witnessed full house participation from the students and their parents. The first phase of the orientation addressed the new entrants from Architecture, Commerce & Management, Computer Applications, Education, Engineering, Humanities & Social Sciences, and Law.

The event charted the academic course, helped students in meeting their fellow students and administration, and also helped them in discovering mentors and caring advisors.

The welcome address was given by Professor Khalid Monowar Khalid, Dean, Students' Welfare, who extended his co-operation and informed student about the infrastructure and various amenities of the University there by briefing them about the focus of the University on academic excellence.

Making students comfortable and acquainted with the University, the hon'ble Chancellor, Prof. Syed Waseem Akhtar blessed the students with a bright future and a memorable time during their University stay. Prof. Akhtar stressed the importance of small yet consistent efforts that always yields into success stories. "Integral University feels pride in welcoming and nurturing students from all parts of India and abroad with utmost care in a holistic and disciplined way", conveyed Prof. Akhtar, amidst the admiration from the packed audience in the hall.

Prof. Aqil Ahmad, Vice Chancellor (acting), Integral University, in his welcome speech to the parents and students, communicated the importance of hard work, concentration, and discipline in a student's life.

Dr. Syed Nadeem Akhtar, Director, Planning & Research, Integral University, extended his warmth and support to the newcomers and emphasized the significance of a goal in a student's life. He elucidated that having an aim right from the first year in University will not only make the study years productive and worthy but it would also satisfyingly end the course of study with having achieved the target that one dreamt of.

Shri. Alok Ranjan, IAS, the guest speaker for the event, motivated the newcomers with his zestful tone and interaction. He stressed the role of "Attitude" in success and said that positivity and confidence backed by good education is the key to a fulfilling future.

The second session of the Orientation programme was organized for the Faculty of Agriculture, Health & Medical Sciences, Pharmacy, Science and courses run by the Bioengineering Dept. in which Prof. Alok Dhawan, Director, CSIR-IITR Lko, and Shri. Soraj Singh, Director-Agriculture, Govt. of Uttar Pradesh guided and inspired the new scholars to shape up their University years in the best ways possible.

MOOT COURT WORKSHOP HELD AT INTEGRAL UNIVERSITY

A Moot Court Workshop was conducted by Moot Court Society, Faculty of Law, on 11th August 2018. The main purpose of organizing the workshop was to encourage students to participate and understand legal principles in a better manner.

In this workshop, discussion was made on drafting memorials, mootng skills, role of Researcher and Mooter in Moot Court Competitions. The welcome note was given by the Head of Department, who told students that mootng in law schools is similar to advocacy in a Judicial trial. The students who have opted law as an elite profession have a responsibility to reconstruct the breakdown in social culture. The Chief Guest of this workshop, Advocate Mr. Akash Sinha, who is currently practicing in High Court (Lucknow Bench), highlighted the basics of Moot Court.

Dr. Naseem Ahmad, Head, Dept. of Law, Integral University in a Moot Court Workshop

HRDC, INTEGRAL UNIVERSITY ORGANIZED A TRAINING PROGRAMME FOR ACADEMICIANS IN AUGUST 2018

Integral University began a training programme for academicians on 14 August 2018. Many Vice-Chancellors, Directors, Pro-Vice Chancellors, Deans, Chairpersons and Heads of Departments from different universities and institutes actively took part in this 4-day programme to equip themselves with the best techniques to offer premier quality education to their scholars. In the inaugural ceremony, Professor Aqeel Ahmad, Vice-Chancellor (acting), Integral University said, “Teachers must listen and learn for a constant growth in their career and to break the monotony in their schedules”. In the inaugural session, Dr. Syed Aqeel Ahmad, Director HRDC, Integral University welcomed the participants and wished them success in their course pursuit. There were 16 sessions on topics related to quality education like effective leadership, use of ICT, Handling student diversity, Student support, placement services, etc. The programme was organized under the aegis of UGC-HRDC Aligarh Muslim University and Centre for Academic Leadership and Education Management (CALEM), and Ministry of Human Resource Development, Government of India.

SCIENCE RESEARCHERS FROM UK, MALAYSIA, GERMANY AND INDIA TOGETHER AT INTEGRAL UNIVERSITY'S ICCCTES-2018

Three prominent departments of Integral University hosted an International Conference to facilitate and ruminate on the Research work going on throughout the world. Departments of Electronics and Communication Engineering, Electrical Engineering and Physics, jointly organized an International Conference on "Computational and Characterization Techniques in Engineering and Sciences" on 15th September 2018.

The conference participants across the world from UK, Germany, Malaysia, Bangladesh, Saudi Arabia and from different states of India shared their reputed work in the fields of Advanced Computing Software Engineering, Data Communication and Signal Processing, Electronics and Communication, Renewable and Sustainable Energy and Cyber security and many other contemporary subjects of wide interest.

Dr. Khalid Khan, Lead Functional Architect from Derby, United Kingdom, interacted with the faculties and students to discuss System Engineering's approach to develop, integrate, inter-operate and together accomplish the outcomes of an operating System. "Practical World Problems can only be solved when different streams of a University come together and ponder over it through Researches", he said.

Another International guest and resource person of the Conference, Prof. Ing Sian Lun, Associate Dean, Academics from Malaysia shared exciting ideas on the rise of technology such as Clouds, analytics and Internet of things. He said, "The new way of looking at the development of smart cities is to incorporate sustainability into everything surrounding it."

Dr. Syed Nadeem Akhtar, Dean, Engineering and Director of Planning and Research, expressed his immense contentment with the various departments of the University coming together and providing such a vast exposure to Integralites from the outside world. He further reiterated that the multi-dynamic congregation of best research work in the field of Science would fuel more innovative ideas and help the students enjoy their craft.

World Pharmacists' Day

Faculty of Pharmacy, Integral University, Lucknow celebrated “World Pharmacists' Day” on 27th September 2018 by organizing lectures, competitions, and scientific sessions. Prof.Syed Misbahul Hasan, in his welcome address, said, “As healthcare professionals, pharmacists should ensure that every individual receives optimal treatment, and optimal education is provided to them”.

Prof S.W. Akhtar, Hon'ble Chancellor, Integral University, emphasized on the role of a pharmacist being far more than dispensing drugs and filling prescriptions. “On this World Pharmacists' Day, let's pay our pharmacists their due regards and salute them for helping patients all across the world”, he said. This expertise along with doctors and scientists together formulate a triangle around patient's safety and wellbeing which is possible by educating the young generation.

The Chief Guest of the programme, S.K Barik, Director, National Botanical Research Institute, Lucknow, urged the pharmacy students not to keep a boundary in their learning. He challenged the young minds to explore the vast diversity of India to find more medicinal plants and formulate them. “It is a boost to this profession after the Govt. of India has given the opportunity to export the herbal products”, he said. Guest of Honour, Dr. I. H. Farooqui, Dy. Director NBRI gracing the occasion with a wide study of medicinal plant behind him, applauded the University's efforts in running all the possible courses in Pharmacy.

A THREE-DAY REGIONAL WORKSHOP ON “RESEARCH BASED PEDAGOGICAL TOOLS” (RBPT)

Human Resource Development Center, Integral University organized a three-day regional workshop on “Research Based Pedagogical Tools (RBPT)” for College Science Teachers in collaboration with Indian Institute of Science Education and Research (IISER) Pune, and DBT/ DST, Govt. of India. The workshop was held from 23rd to 25th October 2018.

It was a part of a series of workshops designed to introduce teachers to Research-based Pedagogical Tools that focus on process of Science rather than information, and help students develop critical thinking and problem-solving abilities. Faculty Members from all Science disciplines, Technology, Engineering and Education participated in this workshop. Apart from Integral University, the participation was received from 23 educational institutes, colleges and universities of Uttar Pradesh and adjoining states.

CENTER FOR CAREER GUIDANCE & DEVELOPMENT

Our Moto: Creating Possibilities.....Enabling Growth

CCG&D (Center for Career Guidance & Development) has been actively working in various spheres towards overall development of the students. Regular grooming and aptitude development programs are being conducted to counsel and prepare the students towards their preferred career goals.

Special Initiative

- **FINAL STEPS-** A special customized 60 mins. session is being conducted for each campus interviews on the previous day . This session focuses on grooming and preparing students as per the specific requirements of the visiting organization in the area of Job role requirements, interview preparations and aptitude. It also trains students on tips for success specific to the drive. This initiative has met with considerable success in the last 3 months.

Prominent Placement Drives

- **CCG&D** facilitated focused Placement Drives with objective of maximizing industry exposure to our batch of 2019. Some prominent organizations like SAP Labs India, TCS, Nestle, Extramarks , Byjus, Capgemini, Azeem Premji Foundation, Gandhi Fellowship Asahi Glass, Superhouse, Pinclick, Daffodil Software,ATMECS Technologies, Vikas Group and many more have already visited Integral for campus recruitment.
- **Indian Navy** visited Integral University for the for 15th consecutive year on 11th and 12th Sept 2018. A team of two officers of Indian Navy Captain T Rajneeth Ramasundaram (Director Manpower Planning & Recruitment Indian Navy) and Leading Seaman Bhupinder Rathore visited the University for the recruitment of 2019 batch students of 7 branches of Engineering.Over 270 students of different institutes participated.

Recruiting team from ATMEC Technologies being welcomed by CCG&D, Integral University
